Beloved Father, on this day commemorating the enthronement and coronation of Your kingship, five years have already passed since January 13, 2001, although it seems like it was yesterday. It was the day when all of heaven and earth could coincide with the Will, and Your realm of victory could mark a new beginning. The complex and critical moments in history, up until the present, have been resolved on earth, and we have made a beginning enabling the expansion of a foundation on earth upon which You, God, on behalf of the Parents of Heaven and Earth, can freely act, centering on the original point of the vertical love based on the horizontal standard. During the past five years, I have settled the remaining indemnity conditions that Satan was demanding, and overhauled and expanded this foundation so that Satan could never again come near Heaven's sovereignty.

Thus, in this era I need to establish the Abel UN and connect it to Your arena of activity. Jesus came and attempted to resolve on a national level what Adam was unable to fulfill in Eden. Yet the people of Israel, who cooperated with Rome, failed to fulfill their responsibility as Abel, and Your Will, left unfulfilled, was prolonged until the time of the Second Advent. I beseech You that You forget the painful and tedious era in history during which all the saints and sages who have gone to the spirit world, and who had centered on You and Jesus, have been looking to You and, more than was demanded, to the earth, and who have been so anxiously waiting until this day of 'True Parents' victory.

From this new year on, for the ideal world of peace and liberation in heaven and earth, may You stand in a position of autonomy, taking a step beyond the era of Adam, who failed in the family, and taking one more step beyond the level of Jesus, who was unable to reach the national level, and attain victory on the world level. We have spent the final hectic hours to connect the original standard of Your kingship not only to the United Nations on earth but also to the United Nations in heaven.

In 2005, we, True Parents, toured 120 nations, proclaiming a providential message entitled, "The Era of Settlement of the Providence as a Model for the Ideal of Peace in Heaven and on Earth, " based on the standard of the model family, model nation and model world for the realization of the ideal of peace in heaven and on earth. As indicated in that speech, we have now ushered in a demanding era in history, when we must achieve the victory of the realm of the Abel UN based on Your ideal family. By passing through that path, we have come to the point where all the programs initiated by Heung Jin and Dae Mo Nim in Chung Pyung can be united with True Parents and concluded.

Thus, by virtue of offering to You the victories True Parents have accrued by overcoming the course of indemnity on the levels of the individual, family, tribe, people, nation, world and cosmos, based on the realm of the Abel UN, I pray that You may receive in joy the commemorative service for the coronation for Your kingship, which is being offered on this day that inherits the era in which Heaven can have dominion over everything.

I also reclaimed all the rights of ownership that had been taken by Satan until now. Consequently, we have entered an era of great reorganization where we can expand and overhaul horizontally and vertically from the focal point marked by the great victory of the Lord of the Second Advent. On that foundation, we have ushered in an era where the realm of the Abel UN can be proclaimed along with the coronation today.

You led the Israelites through the wilderness with a pillar of fire and a pillar of cloud, had them make the tablets of stone twice for the benefit of those who violated the law, and proclaimed the way for the Israelites to go based on the Ten Commandments. In the same way, the returning Lord has now taken responsibility and proclaimed the triumphant entry into the blessed land of Canaan, which the Israelites failed to do.

All the good clans on the earth, the Cain and Abel clans, are united as one, and they are recognized as the realm of the chosen people. In this way, the returning Lord has paid indemnity for what Jesus was unable to complete in his lifetime, by breaking down all the fundamental barriers, including national borders, on earth as well as in heaven. On that foundation, a new Abel realm UN was established, and an era in which You, the Father, can freely do as You desire is prepared and offered to You. Thus I sincerely request that You connect all this to the blessed families, so that everything that You lead can be fulfilled as You wish.

From the position of True Parents, we plan to make this time of commemorating and offering the Enthronement for God's Kingship a supreme condition of victory. I pray that in years to come, the entire cosmos will advance forever more into Your realm of love as a harmoniously united world, and usher in a peaceful era of liberation of Your kingdom on earth. I sincerely wish and pray that You receive this liberated authority founded upon the coronation with joy, and that everything can be united and fulfilled according to the wish of the True Parents. Aju!
