For forming the true family and Peace World with God's true love, True Parents transcended nation, race, and religion.

Following this providential movement, on July 5, 2007, True Parents held the 2007 traditional blessing of Heaven in the 186 missionary countries. It was held in Yoo Gwan Soon Stadium in Cheonan.

At this ceremony, the 1634 couples have gathered.

This ceremony has the meaning for a man and a woman imbued with God's heart to form the ideal family beyond the nation, race, and religion.

It was carried in attendance of the beloved Cosmic Parent and the Parents of Heaven, Earth and Humankind and declared that this blessing ceremony should be the providential moment for all attended couples to have the responsibility as the ideal family of heaven.

On this day, brides and grooms resolved to live together for true love and eternal peace. In the case of the married couples, they prayed not only for the individual happiness,

but also for establishing the peace world
for all race.

Moreover, they resolved to be the one by
trusting each other and offering their life
to God.

“

We truly hope and pray from deep within our hearts that today will become a day to be commemorated, on which the authority of the grace of the blessing can expand and be declared throughout all nations and ages to come, like one great melting point as of this hour, now closely watched by the 6.5 billion people of the world.

We also pray that the protection and grace of Heaven will dwell eternally with the 1,634 couples who will forever pass these on, along with the traditional blessings of Heaven to their descendants, tribes, and their nations. I declare this blessing in the name of True Parents. Aju! Aju! Representing the entire cosmos, we all proclaim, Aju!
