On October 10, 2010, The True Parents of Heaven, Earth and Humankind Who, as God's Embodiment completed the settlement 10.14 blessing ceremony was held at Sun Moon University.

10.14 blessing ceremony was held twice; in 2009 and 2010. furthermore, the solar calendar (October 14) is when True Father was released from Heungnam Prison.

4100 couples from 40 nations attended to the blessing ceremony and share this moment with three hundred sixty thousand people from 194 nations through the internet.

At this blessing ceremony, the groom and the bride danced on the stage and offer the pleasure and gratitude to True Parents.

“

God created all material things, desiring to give them as gifts to His children. Due to the Fall, human beings were unable to become God's true sons and true daughters. However, once people are brought into God's lineage and preside over all material things as God's direct heirs, they will use them for God's glory. Such a time is coming.

Just because they were claimed by Satan, I do not regard material things per se as evil. It is human beings who manage and use material things. What is important is who owns them and how they are used. When a person who owns material things uses them for the benefit of humankind, with a good, God-centered purpose, God will gladly grant the right of ownership to that person.

True Parents' benediction
