Heung-jin-ah!

Our gentle and diligent Heung-jin, do you miss Appa and Omma? Appa and Omma are the ones who love our Heung-jin more than anyone; that's why we miss you so much.

We are now in San Francisco, which is the closest part of America to Korea. We are going to New York on the 26th. You and your brother and sisters are loving each other and getting along well, right? When Appa and Omma come back, I'm sure you will have grown a lot. You must study hard so that you can get better grades than your older brother and sister. You are the handsome one, Heung-jin, so if you can do that, how fine that would be... I wish you a merry Christmas and a happy New Year. We really miss you and want so much to see you. We will say goodbye for now.
