On July 30, 1996,
the Family Federation for World Peace
and Unification (FFWPU) was established.
True Parents mentioned that
fallen people can liberate and complete
freedom as the individual level through
FFWPU.

Also, True Parents succeeded to make Soviet President Mikhail Gorbachev liberate and North Korea President Kim Il-sung.

This result brought another result to receive the liberation of the authority of the firstborn son and the authority of the Parents.

After this liberation, True Parents established FFWPU and proclaimed the True Parents Proclamation.

Because of the first historical manifestation of True Parents in this world, the Unification Church could bring the age of FFWPU to start the great human family movement. Before coming this era, there was the Unification of World Christianity era and it was emphasized the individual indemnity and liberation.

But, now all nations welcome God and True Parents.

T rue Parents created the logo of FFWPU following the establishing FFWPU.

When we see this logo, we can find the sun and it represented God.

The three-generation family under the sun can be the one by centering of true love under the sun. Lastly, the circle shape has the meaning of the united heaven and earth which is created by true family.

“

When we study the human fall, what happened in the family of Adam of Eve? It was from the individual level, the family level, the entire family collapsed there, therefore, when it comes to the history of providence of restoration, the restoration should go through the process of restoring mind and body unity, then unity among the family members, and then tribe, the society, nation and so forth. Because of the fall, as you know, the human race started with a false blood lineage and it expanded into families, tribes, societies, nations and a world; that's the world we are facing everyday now, therefore, when True Parents come to this world to save humanity, now we have to correct, we have to change this blood lineage into the heavenly lineage and we have to expand this worldwide. That is why Father said that this is the period of equalization, centering on True Parents concept. Do you understand? Worst parents appear in this world and breakout everything, there is separation in every direction. In this time, True Parents appear that connect their mind and body unification, do you understand, that perfects man and woman, connecting with one and creates a perfect family.
