At 9 minutes and 9 seconds after 9 o'clock,
on the 9th day of the 9th month of 1999,
on True Father's 79th birthday,
True Parents proclaimed Gu Gu Jeol (9-9 Day),
the Day the Parents of Heaven and Earth Open
the Realm of Unity and Liberation of Heaven and Earth.

True parents mentioned that the number 9 is

Satan's number of completion which stands for

the Re-starting.

T rue Parents set the condition by holding the 360.000 Couples Blessing. This blessing ceremony stands for the completion of the restoration.

In 1997, there is the proclamation of the Realm of the Cosmic Sabbath for the Parents of Heaven and Earth. After 3 years in 2000, True Parents proclaimed Gu Gu Jeol (9-9 Day) to pay the Satan's number 9.

Through this proclamation,
True Father sets the
condition to get back the
authority to manage the
world from the Satan realm
to the heaven realm.

If this condition is
settled on, Satan can
not do anything
without the heaven
order.

On the next day, True Parents proclaimed Sam Shib Jeol (3-10 Day) which consist on the number 10 three times. This is also standing for the re-beginning.

“

At 9 minutes and 9 seconds after 9 o'clock, on the 9th day of the 9th month of 1999, on my 79th birthday, I surmounted the realm of the number 9, which is Satan's number of completion.

The Principle of Restoration explains that due to their relationships caused by the Fall, the realms of both heaven and earth have been in bondage to Satan. Satan blocked all levels, beginning in the womb, to infancy, youth, engagement, marriage, husband and wife, parents, grandparents, and kings-nine levels in all. Humankind could not achieve the united, ideal realm, the realm where men and women connect through God's lineage. Being blocked on every level, good and evil emerged and fought-in the realms of the womb, infancy, youth, engagement, marriage, husband and wife, parents, grandparents, all the way to the realm of kings. As a result, many people in the Abel realm on God's side lost their lives.

Nevertheless, unless we, as Abel, bring Cain to surrender voluntarily, and thus recover the authority of the elder son of God's kingdom, we will not be able to establish God's good lineage out of Satan's defiled lineage. This has been the work of salvation, filled with bitter pain and sorrow. It is the fundamental and mainstream path for the salvation of humankind. I discovered it because I came to the world as the True Parent. (303-253, 1999.09.09)
