A woman with short dark hair and glasses, wearing a green jacket and a corsage of yellow and red flowers, is looking down at a podium. She is surrounded by a large crowd of people, some of whom are clapping. The background is slightly blurred, showing many other attendees.

T rough this rally, True Parents insisted the four paths which guide to the peace world.

- 1) Living for the sake
- 2) 2) creating the true family
- 3) The Interreligious Cooperation and unification and
- 4) the role of UN .

“

Before we die, we must unite our mind and body. The wife must come to love God more than she loves her husband, and the husband must love God more than he loves his wife. You must also become a family that can love God's sons and daughters just as God loves them. Families like that come together to form a tribe and such tribes come together to form a nation. Then these nations come together to form the world, and the world unites to form heaven and earth, the Cosmic Nation of Peace and Unity. God will be the ruler of that nation, we will be His subjects, and the whole world will be its territory.
