Calligraphy of Seongshim Seongui – A Completion Ceremony of Ilhwa Pharmaceutical Office Building on the 3rd of August, 1973

"When we say that a man is righteous, on which criterion we say? A man is righteous when the will of Heaven and his will share the same root. It means you should deserve to stand such a place. Here, all of you must do your sincere best. Love your God with all your strength, with all your soul and with all your heart. – Rev. Dr. Sun Myung Moon."
