If you search for that which is true, you have to make your body live absolutely for the sake of your mind. When these become one, you can stand in a spiritually upright position directly connected to heaven and earth centering on God and you would know everything about the whole situation wherever you go, to the north, south, east, west, high, or low.

You would automatically connect to the spirit world. You would know without having to learn. How did I come to know everything about the secrets of heaven and earth? I found out everything after achieving that kind of state. After having reached the state where the mind and body resonated centering on true love, everything became clear. I could experience God fully. I could see the world of heaven. I could see history. I could see everything. (199-172, 1990.2.21)
