Good morning

I hope you're doing well

1555th Tianxin Garden all night

Summary

87,346 receptionists from Kami Nippon for today's major duties, setting the highest record in history despite the difficulties of dissolution. Every other continent set new records. As a result, the total number of 157,475 members became 157,475, and it feels that the Heavenly Father is playing the role. When your father is on earth, "Receive the duty of great great affairs. Receive the benefits of the full mobilization of the underworld." and told. Last year's autumn duty exceeded 120,000 people and 144,000 for winter duty duty, and this time we were able to surpass 157,000 people. Faith is not what you can't see, it's what you can see. Next, surpassing 210,000, 300,000, and a few million, the will of heaven will be done on earth.

Mother said to the god Japan, "Strengthen your strength." For we know that our Heavenly Parents are clearly alive and working, and that our Heavenly Fathers are never silent. The Father is not silenced, he ministers in your ears, and through your lips he speaks to you all. Don't lose your power because your heavenly father's dreams will surely be fulfilled. Having more absolute faith than past believers can open up the liberation sphere and release sphere of heaven on earth and heaven. Becoming one with your mother means becoming one with Tenshinni, the mother's abdominal. If you become one with Tenshinzai, you can rise to absolute faith.

The full recognition of absolute faith must not be the perception of the physical mind alone. When you have a spiritual experience through your five senses, you can clearly grasp the roots of faith. If we go out with new determination through this major role, all obstacles that block us will be sorted out. Miracles are about to happen. Through this major role, it must be a turning point for your mother to cross the edge of hardship. We should not just talk about life-death decisions, giving our all, and practicing practices, but when we stand before our father, we should be able to say this is how we have achieved it. If such prayers are made, a new history is starting today. That grace and fortune is upon us. If the frequency is right, Heavenly Parents abilities are granted. Prayers, believing in the heavenly power to keep communities alive and the nation's world alive with that ability.
