

HPHC DMV: ACLC outreach zoom with Susan Fefferman May 29th, 6:30pm

Dear Brothers and Sisters,

I know many of you desire to support True Mother in witnessing and outreach to churches in dedication to help save America. **Please join a short zoom (I hope only 40 minutes) on Monday night where we begin to discuss how we can be effective in witnessing to the clergy.** I need your ideas and your prayers.

We are in a new era, a new time for success. True Mother changed our movement's leadership for greater success in the next four years. Let's work together for our *mutual success*. Blessing one pastor couple means they can bless their entire church. This was God's inspiration to me years ago that pushed me to work with ACLC. WIM is part of my dedication as well, because women hold up half the sky.

I know it is difficult to visit a church alone, let's make teams to support one another. I am willing to go with anyone that asks, to get you started. Let's find a way to comfort True Mother's heart and help save America.

I pray that you can find a church to adopt and love as your own.
