

## Foundation Day 4: The Dominion of Love

Tyler Hendricks

March 8, 2017

This Foundation Day, True Mother outlined the 2001-2012 providence to build the heavenly nation through three 4-year courses.

**The formation stage, 2001-4**, began with the enthronement of God and the True Parents' second Holy Wedding. Following this, representatives of the world's religions and governments, centering on the True Family, bowed to True Parents' authority of love as king and queen of Cheon Il Guk. This took place in Jerusalem, representing the Old Testament Age, in Washington, DC, representing the New Testament Age, and at Korea's National Assembly, representing the Completed Testament Age.

### LANDMARK EVENTS

The Enthronement Ceremony for God's Kingship (January 13, 2001)

The Enthronement of the Parent of the Cosmos and the Parents of Heaven and Earth Who Reign over the Blessed Families as the King and Queen of Peace and Unity (February 6, 2003)

**The growth stage, 2005-8**, saw the external dominion of love, the Universal Peace Federation and the Abel UN, preceding the internal dominion of love, the Cheon Jung Gung Palace opening. Then at the Hawaii coronation, True Father announced the Pacific Rim Era, the Cross-Cultural Blessing and the Age

of Women. He was formulating the content of the Peace Messages, thereafter published in Pyeonghwa Hoongyeong and Pyeonghwa Shingyeong.

## **LANDMARK EVENTS**

Founding of the Universal Peace Federation and advent of the era of the Abel UN (September 12, 2005)

The Cheon Jeong Gung Entrance Ceremony and Coronation of the King and Queen of Peace in Heaven and on Earth (June 13, 2006)

Global governance begins with blessed family life, so in this stage, “True Parents . . . opened the era of daily life governance on the foundation of the Principle centered on the House of Unification for World Peace.” Then, in the Jubilee Years of 2006-7, they combined family and global governance:

They fulfilled the True Family’s responsibility to educate in the Word on a global tour undertaken by three generations: True Parents, True Children and True Grandchildren. Through this, they established a model national and global system moving in the direction of Cheon Il Guk.

### **The completion stage we’ll cover on Friday.**
