

## To Proclaim True Father, True Mother Defeated Satan

On June 12, 1999, True Father proclaimed that True Mother had fulfilled the John the Baptist mission. To do so required that she defeat Satan.

"Because it was a crucial time for Mother to fulfill her responsibility," True Father said, "Mother went around the world holding the 'Rally for the Advancement of the Globalization of the True Family.'"

Satan invaded every other John the Baptist called to attend True Father, but he could not invade True Mother. The paradigmatic moment on the world level came in Beijing, May 29, 1999.

Father said, "In China it seemed it would be impossible to hold the rally, but Heaven worked to make it happen." Government policy forbade the public mention of God, and we were forewarned. Through personal diplomacy, True Mother won officials' support, and they waived the regulation for True Mother's speech -- at the Great Hall of the People.

True Father said, "Mother established the condition through the 80-city speaking tour to make even Satan surrender to God, True Parents and humankind."

Satan invaded John the Baptist through humanistic thinking. Looked at through human eyes, Jesus was "an uneducated young man who grew up in the poor and lowly home of a carpenter ... He suddenly appeared and called himself the 'Lord of the Sabbath' while apparently defiling the Sabbath. ... the Jewish leadership rebuked and mocked him ... Jesus was far from credible."

Satan similarly invaded every religious and social leader called to be True Father's John the Baptist. On June 13, 1999, True Father declared that True Mother defeated this Satan.

"God became victorious and Satan surrendered. Satan surrendered to God, and for the first time in human history, God made a proclamation in this way."

The next day, he proclaimed that "Mother gained recognition by God, Satan and all people that she had fulfilled her responsibility as the True Mother. ... Therefore, she can occupy and act from the precious position of Eve whose mistake in front of Adam has been restored. I will proclaim this to heaven and earth."

True Father spelled out the historical implications: "The age of the equality of man and woman has come. It is the age of the equality of man and woman based on love. Now is the time when we have to unite women and teach men about this."

True Mother's victory liberates all women through faith in her. We have to teach men about this.

True Father said: "The time when God could command Satan to correct his wrongs and clean up the fallen lineage came when God gave him the ultimatum on March 21. Satan apologized to God and claimed he would support Him to create the ideal garden of love. He confessed all his sins before True Parents to be forgiven." ["Let's Attend the Owner of True Love," June 13, 1999, East Garden]. On that day, True Mother's speaking event on the "Worldwide Speaking Tour for the Global Expansion of True Families" was in New York City, so True Mother was with True Father at East Garden. True Mother's speech in China took place May 29, 1999. At that point she had spoken throughout the world, publicly and to private gatherings of members and government leaders, for 72 consecutive days. True Mother is super-woman.)*
