2023 Cosmic Blessing Information

The 2023 Hyojeong Cosmic Blessing will take place in Korea & Las Vegas.

There will be a multi-day experience for couples that want to receive the Blessing in either Korea or Las Vegas.

For those planning to participate in the upcoming Blessing, there are two steps we recommend to do now:

1. Block off vacation days from work. For those going to Korea, block off May 3 – 9. For those going to Las Vegas, block off May 4 – 8 (these are approximate dates). These are the only locations for North American candidates.
2. Go to the 'Application Center' on bfmeducation.org and complete: 'Part 1: Become a Candidate' and 'Part 2: Report Your Match.' You'll need to create an account if you don't have one.

Living With Awe and Wonder

Albert Einstein said, "He who can no longer pauses to wonder and stand wrapt in awe is as good as dead; his eyes are closed." We live in trying times and it takes intention and presence to notice all that is amazing and wonderful in the people and nature surrounding us.
