A Structured Dialogue to Create Safety

Safe Conversations® has a three-step dialogue process: Mirroring, Validating, and Empathizing. This process helps us find common ground and conduct all our conversations within a safe space. Imagine what it would be like if you and your partner could have that annual money talk without fighting! Imagine talking about it calmly, lovingly, with both of you feeling heard and valued. How about discussing with your teenager the importance of making better choices about chores and curfew without any arguments or drama?
