### **True Father Conducts *Pal Chong Shik***

True Father performed *Pal Chong Shik* or "The Ceremony of the Settlement of Eight Stages" on August 31st. According to Father's speech, titled "Royal Family of True Love," on July 28, 1991, *Pal Chong Shik* was a blood-lineage transformation ceremony. *Pal Chong Shik* was an important ceremony to transfer an individual's satanic, stained blood lineage to God's side. "You were previously connected to Satan's love, Satan's life, and Satan's lineage — a satanic trinity. Through this ceremony the blood lineage is now connected to a parents' life, which is centered on love. Man and woman become parents centered on love. The father and mother's love have give and take, forming a sphere of love. At the center point of that love, life is conceived. Centering on the parents' love and life, the blood lineage is connected. Even though a woman divorces her husband, she and her children cannot be easily separated, because children are the fruit of love", True Father said.
