Friday, November 7th, church pastor, Reverend Ken Doo hosted a church community meeting in Cheong Hwa Gung's church sanctuary. This meeting was held in order to discuss and share some methods that could be used to strengthen and inspire the growth of the church community. The meeting began with a prayer and a light dinner of chicken, rice, kimchi and salad. Whilst everyone was enjoying the food, the seven newly arrived missionaries (4 girls and 3 boys) sang two beautiful songs that they had prepared. The first song was a classic "Lean On Me" with a cuter Japanese youthful twist to it and the second was a humble Japanese favorite called "故郷/Hometown". After the singing and most of the eating, Bishop Kim Ki Hoon was asked to share a few words of wisdom with the gathered congregation. Bishop Kim Ki Hoon gave a detailed speech about True Mother's instruction on Tribal Messiahship and its relevance within the Unification Community.

Bishop Kim expressed True Mother's explanation of Tribal Messiahship which is Witnessing. Tribal Messiahship is the accomplishment of 430 Blessed Couples. This does not mean the Holy Candy blessing. Instead, this means the Holy Blessing Ceremony in which True Parents preside over and proclaim newly Blessed Couples. Before True Father passed into the Spiritual World, he had tried to educate us, members, with the Divine Principle and Tribal Messiahship stating that through a clear and heartistic understanding of the Divine Principle, Tribal Messiahship can be accomplished. True Father heavily emphasized that only through Tribal Messiahship can the Kingdom of Heaven (Cheon Il Guk) be built. This was his last will and testament. Bishop Kim explained the reason for True Mother's arrival to Las Vegas next month is not solely based on celebrating. She is bringing many young people with her from different nations who have successful experiences with witnessing.

Bishop Kim reiterated the importance of this nation of America and how it has been prepared by Heavenly Parent for 2,000 years. Lastly, Bishop Kim gave us advice which was that we, as members, must not think only of growing the Las Vegas Family Church. He explained that we must have the mind of True Father when he first came to this nation -- he thought of how to unite and God-center the world. We must have this kind of mindset. After Bishop Kim's speech, a group photo was taken and Bishop Kim left the sanctuary to continue his mission.

### **1. What is tribal Messiahship and how do we do it?**

a. True Mother not only shared about this but invited members who have fulfilled this -- this does not only mean Holy Candy Blessing, but THE BLESSING CEREMONY with the tradition of the 1st Generation. 430 tribe blessed couple. Before True Father went to SP World, he tried to educate us with the Divine Principle Lecture and with Tribal Messiahship. By using the Divine Principle, we can accomplish the Tribal Messiahship. This was True Father's last will and testament. Only by Tribal Messiah can we build the Cheon Il Guk Nation. We must encourage and inspire our younger generations to fulfill this. This is for our future church leaders -- our young people -- our church future. 430 BLESSED COUPLE!! THIS IS NOT 430 PEOPLE...this is 430 COUPLES. Let us reach out to Las Vegas.

b. True mother is not just coming for celebration. She is BRINGING some young people to Las Vegas who has experience in witnessing. They are coming from different nations such as Japan, Korea, and even America. It does not matter what their mother tongue is -- they are staying for 2 weeks "Let them witness to one person in one week. Let them have a goal when they witness. There are many young 2nd Generation who are standing up and responding to True Mother's call. Many elders are also answering True Mother's call.

c. Republicans have taken over the House, Senate, and the Governor...what next? Can the republicans get America to stand up for the Sake of God? No. Who can do it? We can...but how? We must follow in True Father's footsteps when it comes to bringing America back to God. God has prepared America for 2,000 YEARS!! America is the outcome from the 2,000 years Providence which is centered on Jesus. "Go to America. I will give 3 years to America." 3 years of Jesus' public mission...think about all of the persecution that he suffered.

d. The Washington Monument rally was the Day of Victory. This was Victory over Satan centering on True Love. This was proclaimed in this country, America. Amazing! However, we are struggling. This country, this community is struggling. We are externally struggling. We must remember how True Father wanted to save this nation.

e. If you think about how to grow the Las Vegas Family Church only, you will NEVER be successful. True Father did not come to this nation thinking of only how to save America. You have to have a broader mission. You must fully understand what it means to be a Tribal Messiah.

f. Last Saturday, at East Garden, over 100 2nd Generation gathered like how we have tonight and asked many questions and had many concerns. They gave their biggest concern and the presented it to Bishop Kim and then gave ideas on how to solve it. They had over 50 concerns.
