Re. : Designation of Additional Providential Nation

May our Heavenly Parent's and the True Parents' blessings and love be with all regions, mission nations and providential organizations.

For the victory of the Vision 2020 project, the True Parents of Heaven, Earth and Humankind chose twenty-three strategic nations and sent Cheon Il Guk special envoys to these nations in the hopes that the entire world, beginning from True Parents' home nation, would one day be restored as the Garden of Eden as envisioned by God at the time of the Creation. Moreover, by selecting twenty providential nations among the nations that have led Heavenly Parent's providence, True Parents want us to have life-or-death resolution and invest ourselves completely in restoring our nations and contribute to the creation of a world based on a culture of heart by substantializing Cheon Il Guk.

With such a heart, True Parents blessed Austria, a European nation that has brought forth many missionaries that contributed to the world mission, as a new providential nation.
