

# 1 Day Divine Principle Seminar

## How to Restore Human Values

Bucharest, Romania, 17. January 2015

**G**reetings from Romania! I would like to start this report by offering our gratitude to our Heavenly Parents and True Parents. This week was first week of 1st 40days JeongSung Condition period for JeonDo. We started with clear mind and strong determination to bring victory in this year for Heavenly Parents and True Parents.

We concluded this week with 1 Day Divine Principle Workshop with joyful spirit with STF brothers and sisters. We were so happy to received new people who has desire to know more about Divine Principle. We organized lectures with 'Principle of Creation', 'Human Fall' and 'Principle of Restoration'. Each lecturers gave clear message with passion so all the participants was very focused in order to understand better the content. Specially after Human Fall lecture, many of them put questions and they could find clear answers. So they showed us their desire to study more deeply.

After lectures we had one project with the name 'True Love is Action' organized by Active CARP members. The purpose of this project was put in practice what we had learned from Divine Principle

lectures, especially practice of True Love. The program was team competition with missions. Every team needed to fulfill 4 missions. '1st Meet cute grand mother and grand father and ask life advice. 2nd Each team members must hug somebody and make picture. 3rd Meet mature couple and ask what is the secret of happy marriage. 4th Sing a song in the passage to give joy for the people.' Each team put a lot of effort in order to fulfill this missions and they had beautiful experience with people. After the project they share their experiences and most of them could learn how important to not give up until the end. Because some people reject them but they encourage each other in team and they could meet more beautiful people.

The workshop was new life experience for all the participants with new vision and hope. We will continue to support our new brothers and sisters to discover Heavenly Parents` heart through Divine Principle study and activities.

Thank you so much Heavenly Parents and True Parents..
