The second day of the 2015 Cheon Il Guk Leaders' Assembly was filled with profound messages, exciting new appointments and renewed dedications. The assembly gathered international leaders of the Family Federation for World Peace and Unification (FFWPU) in Korea, where they have been sharing reports and connecting with True Mother on the significance of leadership in Cheon Il Guk (God's Kingdom).

On Friday, March 6, 2015, True Mother gave a message to the five hundred leaders gathered, and announced newly appointed leaders of FFWPU as a reorganization and redirection toward reaching goals for Vision 2020. Sun Jin Moon was announced as the new FFWPU International President, and In Sup Park as the FFWPU International Vice President. Man Ho Kim will be Director General of FFWPU International. Other appointments included Jeong Rho Yoon, Kwang Kee Sa, Yang Hur and In Tae

Hwang as Cheon Il Guk Special Itinerant Workers to Korea; Sadao Ino, Masayuki Kachi, Kunio Sano and Kunihiko Shibamura as Cheon Il Guk Special Itinerant Workers to Japan; Hiroshi Inose, Larry Krishnek and Richard Buessing as Cheon Il Guk Special Itinerant Workers to America; No Hi Pak and Lan Young Moon as Special Emissaries to Europe; Umberto Angelucci as Regional President of the Middle East; Jong In Park as Regional Vice President of the Middle East; Jack Corley as Regional Vice President of Europe; Jung Moon Lee as Cheon Il Guk Special Envoy to Bolivia; Ursula McLackland as Cheon Il Guk Special Envoy to Indonesia; Tatsuo Sasaki as Cheon Il Guk Special Envoy to Benin; and Robert Williamson as Cheon Il Guk Special Envoy to the South African Republic.

Dr. Ki Hoon Kim, Continental Chair of FFWPU North America, reflected on True Mother's latest message and new appointments:

Awards were also presented to several individuals for special achievement, including young Unificationist presenter Katsuhiro Motoyama who gave an inspiring presentation and testimony for the Japanese Collegiate Association for the Research of Principles (J-CARP), as well as Universal Peace Academy (UPA) first cadet graduates as they are sent off as Cheon Il Guk Youth Special Envoys around the world.

The second day of the assembly also included special forums and reviews of tribal messiah activities, as well as significant ceremonies of commitment and dedication as participants pledged for the observance of the Cheon Il Guk constitution and made their determinations for 2015. Participation was dynamic as an informative panel of speakers presented on the Cheon Il Guk Human Resources Development Center, and pledges of commitment were made with determination.

As organizations develop and grow, True Mother continues to lead with dignity and a strong commitment. The 2015 Cheon Il Guk Leaders' Assembly was a reflection of a powerful new start and great hope. Dr. Lek Thaveetermsakul, Vice Chairman of the Universal Peace Federation (UPF) Asia and Secretary General for UPF Thailand, describes the amazing strides FFWPU has made in recent endeavors, including tribal messiahship—significant achievements this leaders' conference has made apparent.

As the leaders' assembly comes to a close, it opens new doors for accomplishing more than we ever have before. Leaders look forward to sharing their experience with their communities back home, and building momentum in their renewed commitment.
