### **The Proclamation of Heavenly Tribal Messiahship January 3, 1989, Hannam International Training Center, Seoul**

On January 3, 1989, church district leaders and others from around the world gathered to attend the Proclamation of Heavenly Tribal Messiahship at the Hannam International Training Center in Seoul. The proclamation of tribal messiahship came through True Parents blessing the blessed families with all their victorious foundations that they had laid throughout their entire lives on the path of the cross to achieve God's will. In other words, it was a great affair in opening heaven and earth. After the proclamation ceremony, True Parents told all the blessed families to return to their hometowns and become tribal messiahs by restoring their tribes.
