

Christmas Celebration in Sofia, Bulgaria

Soung Ryong Kim - 17 December 2017

On 17 December 2017, we organized a Christmas celebration in the Embassy of Peace in Sofia. Most of our blessed families and a few other guests participated. First we read True Father's words about Christmas and Jesus, then our foreign sisters presented their birth country's Christmas tradition. We had presentations from Albania, Slovakia, Italy and Hungary. It was a nice intercultural evening. At the end, we shared typical Christmas food, mainly sweets from our countries.
