## Divine Principle Education

Walking through a life filled with Trials and Turbulations, True Parents discovered Heaven's Secret that was kept hidden throughout the long course of History. True Parents discovered that God is not an Almighty Being sitting on His Throne in the highest part of Heaven. True Parents discovered that God is our Heavenly Parent, and we, Humankind, is His Children.

The Divine Principle is the Truth that will open a New Era. It is the Truth that will bring together all Nations, Cultures, and Religions, forming One Global Family centered on our one Heavenly Parent.
