Let Us Remember & Thank Our Japanese Elders

Dear American Brothers & Sisters,

We ask for your kind contribution to help support a historical event: "50 Years of Extraordinary Devotion: Commemorating the Unification Missionaries of Japan in America," which will be held at East Garden, commemorates their victory and their sacrifice.

This special commemoration event on November 4 & 5, will bring together our elder Japanese missionaries who, 50 years ago, left behind their home country of Japan, their families, their friends, and their dreams to respond to God's call to save America. They have deeply touched each of our lives and the very soul of America.

You may contribute at bit.ly/thankyou50th

Sincerely,

William D. Lay and Thomas J. Ward

Shine City Project distributes food with The Just One Project at Von Tobel Middle School on August 19, 2023

On August 19, 2023, Shine City Project volunteered at Von Tobel Middle School with The Just One Project! Our volunteers helped to distribute donated foods for those in need. We helped to pass out frozen cherries, walnuts, canned chicken, canned tomatoes, garbanzo beans, split peas, and other items. To represent our group, we had eight volunteers with one joining us for the first time! Overall, even though we were well underway into the summer season, the weather cooperated to help provide cloudy skies and comfortable temperatures. It was a great day for being back outdoors for volunteering!

Shine City Project and Universal Peace Federation Las Vegas harvest peaches at Ahern Orchard for Peace Road on August 26, 2023.

On August 26, 2023, Shine City Project and Universal Peace Federation Las Vegas collaborated together for a Peace Road service project at Ahern Orchard! Just before the event, leaders and guests gathered at the Nevada State Veterans Memorial to commemorate the 70th anniversary of the Korean Armistice Agreement and honor those who served in the Korean War. The Korean War was the first war in which the U.S. military was desegregated, and both black and white soldiers fought alongside together. At the memorial, we offered prayers for those who fought in the war and made determinations to unify as brothers and sisters beyond races, nationalities, and faiths. After the memorial event, the group headed to Ahern Orchard to join our Shine City Project volunteers! At the service project, we helped to harvest peaches! We had around 25 people who came to help out! Even though the weather was warm and sunny, we did our best to work together to pick out and sort the good peaches from the bad ones. We looked for damage and tiny holes that could signify the presence of bugs inside the peaches. Overall, it was a great service project that brought members of our community together!

Sunday School learns about Heart of Hyojeong!

Sunday School kids got to learn about the heart of Hyojeong following True Mother's visit. We then watched together the beautiful Korean folktale of filial daughter Shim Chung. After class kids had a blast with Halloween-themed minute-to-win it games.
