On the occasion of True Father's 93rd Holy Birthday, True Parents' Golden Wedding and Jubilee Year, and True Mother's Gohui and in preparation for Foundation Day on the 13th day of the 1st month in 2013, True Parents proclaimed the "Conclusion Ceremony and Commencement Ceremony for the Establishment of the Heavenly Kingdom" during the Cheon Bok Ceremony that was held at Cheon Bok Gung on the 2nd day of the 1st month by the heavenly calendar in the 3rd year of Cheon-gi. While, through this proclamation ceremony, bequeathing to all blessed families the holy candle for establishing the Heavenly Kingdom, True Parents emphasized that all humanity should attend the heavenly family and live upholding one tradition, one lineage and one life of resemblance of God. According to True Parents' words, this is to commence the ceremony to bequeath the holy candles for establishing the Heavenly Kingdom for all blessed families. Please make sure all blessed families without exception take part in this ceremony.

### 1. True Parents' Words

1. From now, first, from True Parents to True Parents' children, everybody should return centering on this place. The reason we are holding this rally is to observe this time to hold a conclusion ceremony and commencement ceremony, a foundation ceremony for the establishment of the Heavenly Kingdom. Nobody else here can take responsibility for this ceremony."

2. "There is one fire; not two. There is one candlelight as well. You must receive the flame. You must receive the flame, grace and fire."

3. "All blessed families must unite as one centering on this flame. In light of this tradition, True Parents' blood must be connected to them. You should connect with this candlelight and live in attendance to the heavenly family for innumerable generations. You must make sure that this candlelight is not extinguished. All the world should light this holy candle during hoondokhae time and hold a Sunghwa Ceremony. Only then can it become the heavenly kingdom of liberation and complete freedom within the realm of Sabbath for eight generations, as it says in my speech. That is why you must resemble that one tradition and lineage. You should set the candlelight and inherit this candle. The representatives of the religious denominations should, centering on this flame, place them in their churches, nations, and the world so that the flame is not extinguished. Hoondokhae should be held while the light of the candle is continuously burning."
