A man in a grey suit and red tie is speaking into a microphone. He is smiling and gesturing with his right hand. The background is a scenic view of Cheongpyeong, featuring a large white building with a dome on a hill, surrounded by lush greenery and a blue sky with white clouds.

“Our land in Cheongpyeong must become the worldwide homeland, the hometown of heart for all people... My heart is deeply moved by the fact that the prayers for this sacred land have culminated to such a point where we can begin in earnest.”

| Sermons of the Rev. Sun Myung Moon, vol. 148 p. 40 |

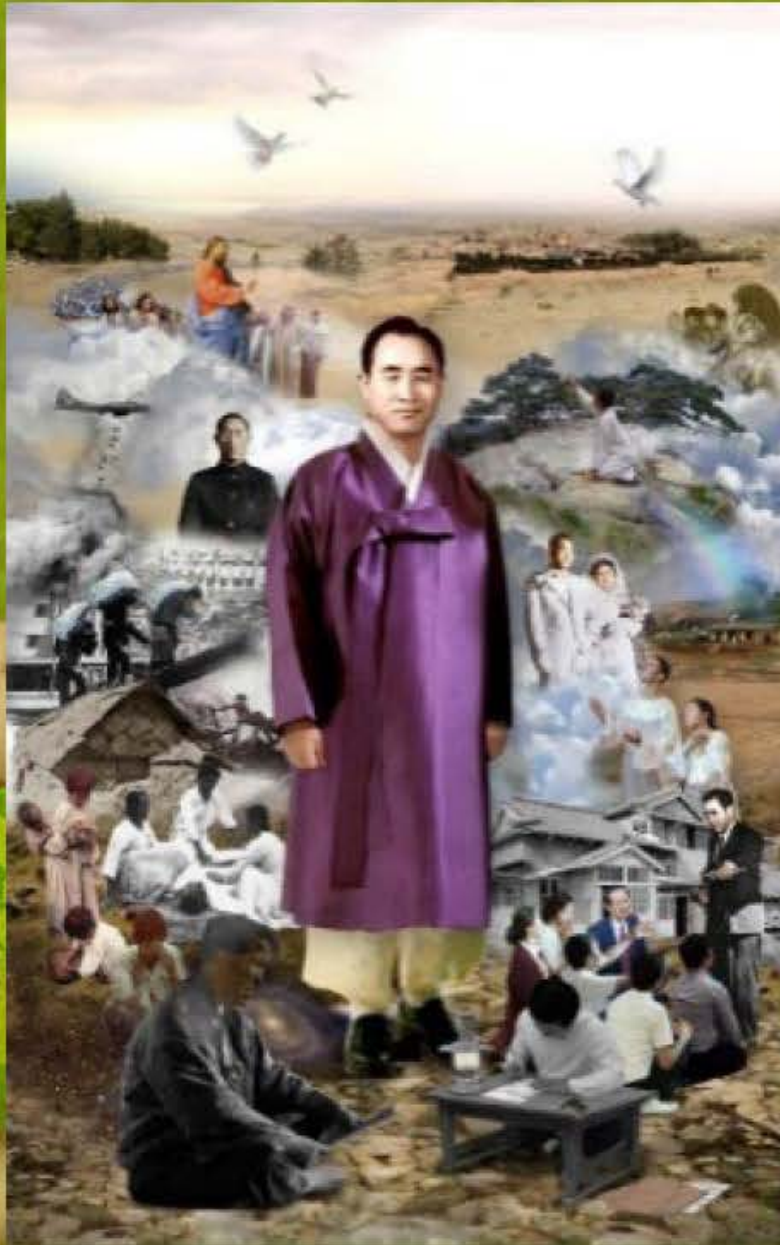

Who are the True Parents of the Unification Church? How do you call Rev. Moon of the Unification Church? You call him True Father, don't you? What about Hak Ja Han? You call her True Mother, don't you? However, when you look at us, we have the same two eyes and a nose as you do. What is the difference then? The root is different. The root! You were born with fallen roots through fallen parents in the Satanic world. However, the roots of Rev. Moon of the Unification Church and Hak Ja Han, the "one" Hak Ja—Hak Ja nim—are different from yours. Rooted in God, they are the main people who have finally appeared in history carrying the Unification logic centered on the logic of true love.

| Cheon Seong Gyeong 165- 17 (April 11, 1992) |

To this day, no one has known Mother. I invested myself in her through three stages, formation, growth and completion. Because it is time to seek sons and daughters in the perfected world devoid of the Fall, you can proclaim clearly that the True Father is Sun Myung Moon and the True Mother is Hak Ja Han.

Dedication of the CheonIl Sanctum

**New Beginning for the Firm Settlement of a
Heavenly Unified Korea and a Heavenly
Unified World**

(May 9, 2023)

We Must Expand the Environment

“Even though Heavenly Parent is now residing in Cheon Won Gung and the Cheon Il Sanctum... we must expand the environment wherein Heavenly Parent can freely work and be attended.”
“Let’s have the entrance ceremony in 2025.”

“The solution is witnessing.”

Heavenly Unified World through Church Growth

We are now living in an era in which Heavenly Parent's dream can be realized because of the dedication of Cheon Il Guk. Is all our responsibility, however, fulfilled?

I asked you to go out with the Holy Spirit and Truth.

It is therefore necessary to strengthen the Cheonshimwon prayers. You should be able to experience and feel it personally in order to live a life in the Kingdom of Heaven. Love is paramount.

**From now on, we must strengthen ourselves internally.
Blessed families must restore nations, continents, and the entire world.**

Korea, the homeland of our faith, must become united as a heavenly unified Korea.

① Era of Substantial, Active Attendance

"As this is the time in which Heavenly Parent, who is intangible and invisible, can work in substantial ways with True Parents on earth, you should be able to experience, feel, and act on your own initiative without True Parents teaching you at every stage. This is life in the kingdom of heaven on earth."

"Rather than with your own thinking, you must know how to lead for the sake of world peace through attending God."

② Era of the Pursuit of the Original Essence

② Era of the Pursuit of the Original Essence

“The original essence of the Creator is being our Heavenly Parent.”

“The essential aspect of UPF is that it is an organization that leads people to the Blessing,”

“Teach based on the Word in the Cheon Il Guk era rather than that of the Old, New or Completed Testament eras.”

③ Beyond Filial Devotion, Era of Loyal Heart

③ Era of Loyalty of Heart Transcending Filial Devotion

“The responsibility of blessed families who live in attendance of Heavenly Parent on earth is that at least the national-level foundation should become the sphere of Heavenly Parent’s influence.”

“The thirty million people of this country must become Heavenly Parent’s children.”

“Blessed families that have received True Parents’ Blessing must become the citizens of Cheon Il Guk.”

“Only when the two Koreas become one with True Parents and attend Heaven can they be reunified as brothers.”

④ Era of Presenting Witnessing Results

④ Era of Presenting Witnessing Results

“The newly restructured organization must set a goal for national restoration and all members of the Family Federation and other organizations should witness to the 50 million people of South Korea.”

“Put everything aside. And if you serve God and love True Parents, you must return to the heart we had in the early days and witness.”

“Each person should witness. We must witness, whether we are awake or asleep.”

In Unity with True Parents
In Unity with One Another

Nothing is impossible if we are united with True Parents

If you become one with me, we will be able to exercise explosive strength and achieve explosive results. With your own hands, you must restore nations and the world. I will remember each and every one of you in my heart, and when I go to the spiritual world, I would like to do so with the joy of knowing we did it together.
