How we can each build our Tribe

**At least week's meeting attended by 30 people, Tom and Maryland members hit a new high water mark of hope. The real possibility of everyone actually developing their own tribe became much more apparent.*

ALL INVITED

"How can we begin Tribes of Goodness in 2015?"

Wednesday Dec 3rd, 7-9pm - Melford LC

Refreshments will be served

Remember: For those of us from Last
Week-

The following are the practical steps the group suggested each of us work on for Wednesday's meeting. Let's all try to at least do one modest thing towards actually "doing something " before we meet tomorrow. Even taking a minute and listing a dozen or so initial "tribe members " is a great way to start.

- 1.)Read what Father said about Tribal Messiah. As your HDH effort.
- 2.)Write down the preliminary list of your tribe...50-100 people whatever it is.
- 3.)Offer daily pray for them
- 4.)Create your own written narrative (elevator talk) of what TPs mean to you
- 5.)Serve someone in your tribe
- 6.)Reflect on the deepest core needs and desires of various tribe members
