First-ever Original Song Project Concert Saturday at Manhattan Family Church

Sunhwa Reiner August 15, 2022

Dear brothers and sisters!

You are invited to this Saturday's first-ever Original Song Project Concert! The Original Song Project is a brand new songwriting workshop for young adults initiated by Sunhwa Reiner (who misses you all very much).

Inspired by the power of songwriting and music, young adults are attending from across the nation for an entire week to write songs together. We want to debut these new original songs with YOU! This concert is a don't-miss event. It's free (with a \$10 suggested donation) and will be held at 4 West 43rd St in Manhattan, the Manhattan Family Church building on Saturday, Aug. 20th at 4:30 PM. All are welcome and invited! Please invite friends and family for an amazing experience.

Sincerely,

Sunhwa Reiner
