

FFUWP Outreach Cards

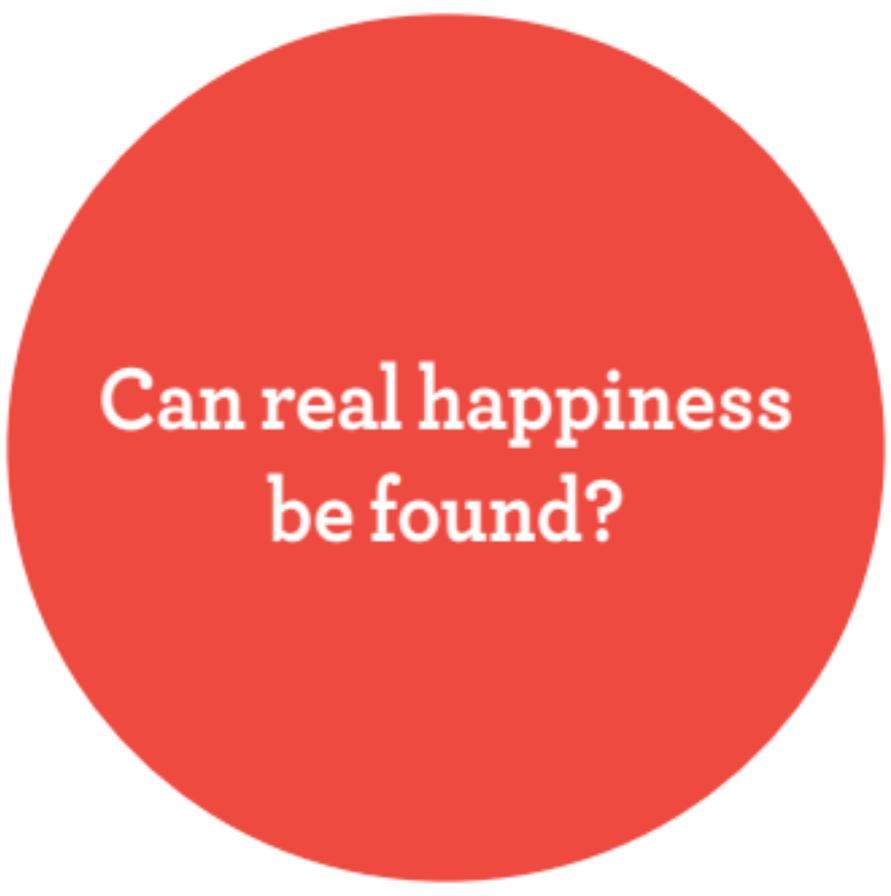

Michael Balcomb
January 22, 2014

These are print-ready standard size business cards (2 x 3.5 inches).

Your commercial printer will require a BLEED AREA of .125 inch, so the back of the card will print correctly.

You can print with any commercial printer. One of the most economical we've found is nextdayflyers.com. They have facilities in CA and NJ.
