

Sun Moon University Global Scholarship Program, Applications for Fall Semester, 2014

Michael Balcomb
May 14, 2014

Dear Families,

Sun Moon University in Korea is now recruiting for the fall 2014 semester.

As you know, True Mother has warmly invited all Unificationist youth to pursue their college education in Korea, and to study the language and culture of our True Parents.

I strongly encourage all of our families to take advantage of True Mother's generous offer of a full tuition scholarship for a full five years of study in Korea. Please note that scholarships are based on a full 5 year academic course commitment, and that families remain responsible for transportation to and from Korea, and for dormitory and meal fees.

The application process has changed, and applications are now first reviewed at the continental level. So please be sure to send your application forms with all the required documentation by email to Inguk Seo at iseo@unification.org by July 11, 2014.

Please read the attached documents carefully as they contain general information, forms, and the terms and conditions for the scholarship program.

If you have further questions, please direct them to Inguk Seo at the email listed above.

Sincerely,

Dr. Michael Balcomb
President
