## **Installation of Dr. Chang Shik Yang as Special Emissary to the Americas**

May 28, 2014

Dear Family,

Tomorrow, the Day of All True Things, will also be special day of celebration for another reason, because we will welcome back Dr. Chang Shik Yang, who was recently appointed by True Mother as her special emissary to the Americas.

As you all know, Dr. Yang served for more than a decade as Continental Director in North America, and spent so many years by True Parents' side, especially in the latter years of True Father's life in Las Vegas. He played a leading role in the creation and early years of the ACLC, in the development of MEPI, and so many other important projects of our True Parents. Recently, he has also been serving as the Chairman of UPF International.

Dr. Yang has indicated that a primary focus of his new responsibility will be to work for the unity of North and South America, which Father indicated was a crucial condition for the unity of Christianity and the eventual unity of the Koreans.

We will hold a simple installation ceremony at 4 West 43rd St at 11am tomorrow, followed by lunch. If you would like to send some words of encouragement to Dr. Yang, you can do so up to the last minute by email to [president@unification.org](mailto:president@unification.org)

Sincerely,

Dr. Ki Hoon Kim  
Continental Director

Dr. Michael Balcomb  
President
