Hello everyone,

I want to thank you for taking the time to read this email. We are contacting you today about an exciting opportunity: True Parents have extended an invitation for young and upcoming leaders between the ages of 20 and 50 to come to Korea this summer!

The Global Top Gun Workshop will take place at the Chung Pyung Training Center from August 7–27, 2015. This workshop was created under True Mother's supervision to:

- Raise and support young global leaders.
- Establish our identity of absolute faith towards Heavenly Parent and True Parents.
- Connect with young people worldwide who will continue to lead our Unification Community into the future.

True Mother is investing everything in young leadership and is especially excited for American and European brothers and sisters to attend this workshop in Korea.

We encourage all those who feel a calling in their heart to attend. Even if you are not currently serving in an official church capacity, there are many ways to lead. It will be a wonderful time for growth and self-reflection, and a time to create relationships that will set the foundation for the future.

The full memo sent out today can be viewed by clicking [here](#). For more information including FAQs and registration visit: Familyfed.org/topgun. We will continue to send pertinent updates to this mailing list.

If you have any questions please email me at mstephens@unification.org and I'll get back to you as soon as possible.

Thank you for all of your investment in our blessed families. Have a wonderful weekend.

Sincerely,

Miilhan Stephens

Re: 21-Day Global Top-Gun Workshop

Dear Brothers and Sisters,

Thank you for taking the time to read this memo. We are contacting you today about an exciting opportunity: True Parents have extended an invitation for young and upcoming leaders between the ages of 20 and 50 to come to Korea this summer!

The Global Top Gun Workshop will take place at the Cheongpyeong Training Center from August 7–27, 2015. This workshop was created under True Mother’s supervision to:

- Raise and support young global leaders.
- Establish our identity of absolute faith towards Heavenly Parent and True Parents.
- Connect with young people worldwide who will continue to lead our Unification Community into the future.

True Mother is investing everything in young leadership and is especially excited for American and European brothers and sisters to attend this workshop in Korea.

We encourage all those who feel a calling in their heart to attend. Even if you are not currently serving in an official church capacity, there are many ways to lead. It will be a wonderful time for growth and self-reflection, and a time to create relationships that will set the foundation for the future.

The latest news is that True Mother has offered to pay for the cost of the workshop in Korea, including food, lodging and travel during the workshop between August 7 and 27. Participants are required to book and pay for their air travel to Korea. Transportation to Cheongpyeong from Incheon airport will be covered.

Please see the following details about the workshop:

1. **Top Gun Dates:** August 7–27, 2015.

Participants are invited to extend their time to attend the 3rd Anniversary of True Father’s Seonghwa and Victory Celebration.

2. **Seonghwa Anniversary Dates:** August 28 – September 1, 2015.

There will be the World Carp Rally, True Father’s Seonghwa Anniversary, Victory Celebration and other key events happening during this time.

3. **Location:** Cheongpyeong Heaven and Earth Training Center
4. **Who:** Leaders between 20-50 years old. Current or potential future leaders.
5. **Prepare:**
 - a. VALID PASSPORT
 - b. Divine Principle
 - c. Cheong Seong Gyeong
 - d. Am/fm radio
 - e. Sport clothes
 - f. Formal attire for the special events
 - g. Personal toiletries

This is an incredible opportunity for America to stand up and lead. True Mother is looking at us to see how we respond as the American family, and we all have a valuable role to play. If you are unable to attend but would like to support our future leaders, there are a variety of ways that you can contribute:

1. Prayer - for the success of the workshop and for the safety, development, and inspiration of the attendees and the further development of Cheon Il Guk.
2. Donate – We've set up a [crowd-funding page](#) to raise funds, which will be shared with the districts to support participants' travel costs.
3. Serve - be a part of this special mission by helping to care for any family members or other needs left behind.
4. Multiply - help get the word out and encourage others to contribute, either by attending the workshop or supporting others to do so.

Additional information, such as a travel advisory, etc. will be available soon. Updates will be posted on Familyfed.org/topgun on a regular basis. We will be following up with additional communication.

If you are considering this workshop, we encourage you to communicate with your local pastor.
