## Cham Bumo Gyeong completes the Cheon Il Guk Holy Scriptures

“On this day, I offer my thanks and congratulations to Heaven while feeling God’s unending grace and love. Since True Father’s ascension, I have been endeavoring to offer and dedicate the three great scriptures to Heaven. As of today, the last of the three books, *Cham Bumo Gyeong* will find its place among these holy scriptures. I don’t know if you welcome this day with deep gratitude, but I can tell you that Heaven has waited for this day for six thousand years.”

This is an excerpt from True Mother’s address at the commemoration of the second anniversary of the Cheon Il Guk Foundation Day on March 3. During the events that day, Rev. Kim Young-hwi, chairman of the Cheon Il Guk Holy Scripture Compilation Committee and Rev. Lee Jae-seuk, the vice-chairman, offered a box containing the complete set of the Cheon Il Guk Holy Scriptures to True Parents. Along with the dedication

and publication of *Cheon Seong Gyeong* and *Pyeong Hwa Gyeong* the previous year, the dedication of *Cham Bumo Gyeong* marked the publication of the complete set. There is no way to fully express True Mother’s joy or the significance of the completion of the Cheon Il Guk Holy Scriptures.

*Cham Bumo Gyeong* is a compilation of vivid records depicting True Parents’ lives as the messiah, savior, returning Lord, and True Parents’ of humankind. It portrays True Parents’ dynamic lives, incomparable to any saint in history, in order to achieve the goal of bringing about human salvation, world peace and ultimately God’s liberation. *Cham Bumo Gyeong* was published with the focus of recording their victories through True Parents’ “Pilgrim’s Progress.”

**Compilation Process**  
Rev. Kim Young-hwi and Rev. Lee Jae-seuk initiated the first meeting to discuss the compilation of the Cheon Il Guk Holy Scriptures at the office of

the History Compilation Committee on August 23, 2012. Later, professors from the Sun Moon University Graduate School of Theology and the Cheongsim Graduate School of Theology joined the process of compiling material for *Cham Bumo Gyeong*. True Mother emphasized the importance of this process saying, “After True Father’s seonghwa, the first thing I resolved to do was offer the holy scriptures. It will become the first and last, eternal textbooks and teaching material that can be used to guide people in accord with True Parents’ standard. Please be determined to do your best.”

True Mother immediately gathered the compilation members in the main building at Sun Moon University and prepared a temporary office where they could hold meetings and do their work. Technicians installed digital reference books, other relevant materials, and the search system for True Father’s speeches on the compilation committee members’ computers. During these initial stages, True Father passed away. Sorrow filled the hearts of the members as if all of heaven and earth had been thrown into darkness. Nevertheless, the compilation process continued under True Mother’s instruction that we advance without stopping.

However, the *Cham Bumo Gyeong* Compilation Committee’s initial task became compiling *Pyeong Hwa Gyeong* and the new version of *Cheon Seong Gyeong*, so for the next nine months they concentrated on these two books, published in 2013 on the occasion of the anniversary of the founding of the Holy Spirit Association for the Unification of World Christianity. The front cover of the fourth volume is also visible, featuring the title 'The Works of John Milton' and the publisher 'Printed by W. Stansfeld, 1827'.

During the victory celebration and hondoakhae welcoming True Mother back to Korea from her visit to Switzerland, Mother instructed that the content of *Chum Bum Gyeong* be supplemented. She reminded us, "Our Heavenly Parent's wish and the wish of all humankind is True Parents. True Parents did not one day suddenly appear out of nowhere. You have to know history. You have to be aware of providential history, under-

From December 17 to 23, the committee held a workshop in Yeso, where they reviewed the content again. From January 26 to 28 at Cheongsim Village, they held a workshop to confirm and check the material. After a final review and confirmation process, printing began from February 10 this year and finally *Chun Bumo Gwong* was dedicated to heaven on March 3 during the commemoration of the second anniversary of the Cheon Il Guk Foundation Day. ☞
