European 15 Day DP Workshop - Gafrenz, Austria, July 1 - 15, 2018

Michael Balcomb

March 15, 2018

Dear Brothers and Sisters,

The registration is now open for the upcoming 15 Day DP Workshop---see the attached invitation. We would like to ask the national leaders and community leaders to make sure that all members receive this information.

The 15 day workshop is a very important component in witnessing. From statistics, we can see that 80 % of the new members joining in the last few years have gone through a 15 day workshop. It is also a good opportunity for 2ndGen (17+) to come and study DP in a deeper way!

Sincerely

Martine Masner, European Witnessing Director, pmasner@gmail.com
