### **A Message from True Mother concerning Coronavirus**

**Mike and Fumiko Balcomb have asked that the following information is conveyed to you and all members as a matter of utmost urgency.**

1) Yesterday, True Mother sent a special message to us concerning the Coronavirus pandemic. She said—

*"Due to the severity of the coronavirus issue around the world, please abstain from hosting worship services and large gatherings of members if possible. Please pay particular attention to the situation."*

True Mother also asked that we all *"increase our jeongseong for the Heavenly Unified World."*

Dr. Yun Young Ho, IHQ added the following:

"I pray that the love and grace of Heavenly Parent and True Parents be with the leaders and members of Heavenly Europe."

2) In many other European nations, even small gatherings are already limited by law. In Italy, they are now prohibited altogether.

This has direct consequence for many of our programs, including the STF, which is now being suspended for the rest of the year.

3) Therefore, out of an abundance of caution, I am requesting that we in the UK follow True Mother's directions and discontinue public gatherings for the next few weeks.

We will monitor the overall situation and updated government advisories closely.

FYI: Many nations are now planning to hold services by Zoom or through other social media.

Sincerely,  
Mike & Fumiko Balcomb

### Holy Oak Memorial Woodland

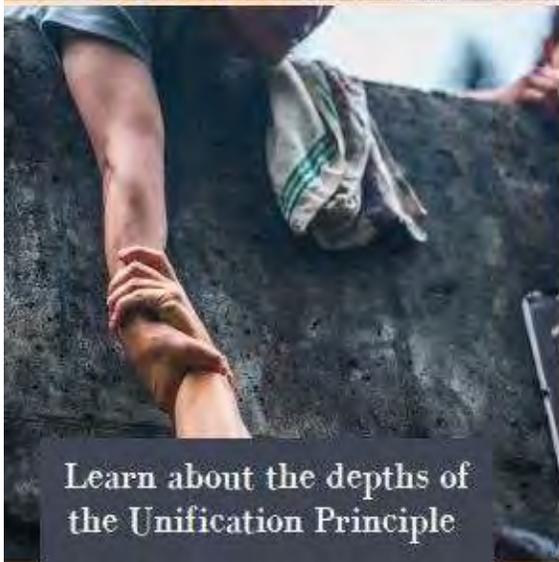

If you are over 65 years of age and haven't bought a burial plot at the Won Jeon, you can book now.

For the last few years, only members over 70 years old could book places, but now members over 65 years can buy a plot which gives the chance for you to pay while you are still working.

### BCLC: Seminar to Introduce The Divine Principle - June Darby

*"The day of our Seminar to Introduce the Divine Principle to new Pastors was a very significant numbers day - 03 03 2020, making it a special day; and it was the most vibrant of all our sessions to date. Rev. Dr. David Hanna gave an inspiring lecture on The Principles of Creation and Rev. Isaac Ayani gave a heartfelt, powerful introduction to The Fall. Russell Gough's encouraging comments and spirited guitar-playing lifted the atmosphere as we sang songs of joyful praise. And our MC, Rev. Daniel Fenuga, was an inspiration as he led us 3 times dynamically in song and prayer - for personal needs and protection; for spiritual renewal and for Mother Moon's health.*

*"One member told me that despite her tiredness after a long day she was so glad that she had come as she felt really revived and uplifted by the high spirit. Evangelist Rosaleen and Evangelist Blessed sang some stirring songs that had everyone clapping and singing along.*

*"My heart was so full - it was a miraculous evening; we had 9 wonderful Pastors present, with 9 members who give their unstinted, willing support; and more members brought new new Pastors. I was so moved by the love and respect shown for True Mother in the prayers, and felt so grateful and honored to be able to work with such great, deep-hearted ministers who love God and Jesus and have served their fellowman so faithfully for most of their lives; and, who were so responsive to the Divine Principle and True Parents.*

*"John O'Neill has been faithfully visiting one Bishop for 14 years, he was always telling me what a special person he was, yet despite inviting him many times the Bishop never came to any of our events. Finally, we could visit him last week and he came tonight. My conviction is that because he is a significant person, with many members, spiritually he was blocked from coming. And it is True Mother's victories that have made God and the spirit world more powerful for good that cleared away the obstacles preventing him from coming.*

*"I believe that if we work hard and unite with True Mother that we will see many more miracles taking place this coming year."*
