### European Parents Matching Webinar

- Webinar 1: Thursday 16th April 2020
- Webinar 2: Tuesday 21st April
- Webinar 3: Thursday 23rd April
- Webinar 4: Presentation of Profiles : Tuesday 28th April
- All webinars are from 18.00 to 19.30 CEST

Dear Blessed Families,

Because of restrictions connected to Corona virus, we sadly had to cancel the Parents Matching Convocation which we had planned to hold in Germany in the beginning of May.

Instead, we would like to invite parents of Blessed Children and Jacob Children, who have children of matching age, or who are approaching matching age, to attend our upcoming European Parents Matching webinar series.

During these webinars we will share practical information as well as valuable internal guidance, which will be helpful, whether you are in a matching process or preparing to match your children in the future.

Our European Matching Supporters will also be available to talk with you, answer your questions and help you to make a matching plan for your child.

#### Parents Matching Convocation – Key information:

Invited are: Parents of Blessed Children and Jacob Children of matching age.

Dates: We will have three webinars.

- 1st Webinar: Thursday 16th April,
- 2nd Webinar: Tuesday 21st April
- 3rd Webinar: Thursday 23rd April.

4th Webinar on Tuesday 28th April where we will share profiles of candidates.

All webinars will be from 18.00 – 19.30 CEST

Please register on the following link: [online registration](#)

Registration deadline: Monday 13th April

Please note that you must attend the first 3 webinars if you wish to join the 4th webinar, where we will share profiles of candidates.

#### European Parents Matching Webinar – additional information:

The purpose of the webinar series is to support parents in the task of matching their children. True Parents have passed this responsibility on to parents of blessed families, and as the era of

Cheon Il Guk matching (True Parents Matching) has now passed, it is our task as parents to take on this precious work.

The webinars will provide education and guidance on issues relating to the matching and Blessing.

Display of Candidates' Profiles

In the fourth webinar, there will be an opportunity to display photographs and information about your child if he/she is a matching candidate, and to see photos and profiles of other matching candidates from all over Europe, and even from other parts of the world. This may directly help the process of finding a suitable partner for your child.

Please consider whether you would like to display your child's profile in the webinar. If you would like to do so, please inform us register on this link: <https://goo.gl/forms/ovMd5jhb1R8obuRh1> Deadline: Monday 20th April 2020.

We will only display profiles of candidates who have explicitly expressed their wish to have them displayed. Otherwise profiles will not be displayed by us.

Please note that it is possible to display the profile of your child even though you do not attend the webinar in person.

#### To ensure that your profile is displayed you have several options:

1. If your child is already registered on the International Matching website – [www.blessing4u.org](http://www.blessing4u.org) (old name was [www.bcmatching.org](http://www.bcmatching.org)) - make sure the profile is updated and inform us that you want to display his/her profile.
2. If your child is not registered, he/she can use this opportunity to register on this website. This not only allows you to use the website, but also means that your child's profile can be displayed at any future convocation, after it has been updated, in Europe or elsewhere. You just would have to notify us.
3. You can also send us your own materials: photos, letters or other information for display. Contact information and basic data (name, date of birth, etc.) should be included. We enclose a profile form below that you can use to fill in this information and send to us at [europe.cosmic.blessing@gmail.com](mailto:europe.cosmic.blessing@gmail.com)

Please send all information to us by 20th April.

Furthermore, it is particularly helpful if the candidate can fill out the "Additional questions" form below and send it to us.

Organizers: Orlande Schenk, Heidi Mayr and Jane Toresen.
