True Parents' Birthday - A Message from Dr Michael Balcomb

True Parents' birthday celebrations for 2021 will be observed together with the upcoming Foundation Day holiday on Wednesday 24th February at 9:30am Korea time. The online program will begin at 12:30am here in the UK, and we are all invited, so please plan on staying up late or getting up early. Come dressed in your best, ready to wish True Parents many happy returns! **Please don't forget that we have a tradition of offering a birthday gift,** and donations can be made through your local community or [online here](#).

True Father was born on 6th January 1920 by the lunar calendar, so he would have been 101 this year. And True Mother was on the same date by the lunar calendar, 6th January 1943. There are many stories and photos of their remarkable lives together on our Centenary website: www.smm100.org

Foundation Day, which marks the official declaration of the opening of the Heavenly Parent's kingdom of peace, was first celebrated on 13th January 2013, so this is the 8th anniversary.
