FFWPU UK: Media/Television Opportunity! Get In Touch If Interested!

Michael Balcomb April 21, 2021

We are on the lookout for members of our community who would be interested in participating in an upcoming documentary; for those interested, or even curious, please get in touch!

Over the past few years, we have had various opportunities to engage with the wider media and as we come out of lockdown, another opportunity has come knocking.

At this stage, we cannot share too much information but are eager to gauge interest and get in contact with those who are willing to participate and contribute.

The program would be a documentary program and a part of series 3 of an already established series which is shown on the W channel.
