PART 8: The History of the Unification Movement in the UK

"The History Of The Unification Church In The United Kingdom" document is part of a larger book that details the entire history of the Unification Movement in Europe. Originally presented to True Mother as a gift, it is now being made available to our wider membership.

The whole UK portion of the document, which consists of over 80 pages, will be released in the national newsletter on a weekly basis. It will cover the history of our movement from 1965, all the way through to 2014.

An updated historic record is currently in the works, to account for all the years since 2014. For those who wish to get involved, please send in testimonies to David Franklin: dmmefranklin@gmail.com.
