7. a TESTIMONIES

Irina Guzeeva, Female, 39, Moscow event, June 12th 2021

”Thank you very much for this great opportunity! **I took part with my 8 years old son and felt a lot of love through Chanyang session.** My son was very happy and put my hands on his body, asking to do ansu on his body, and I felt he was liberated from spirits, and after Chanyang session he was very calm and peaceful. **I feel that for my son Chanyang sessions are like a waterfall of true love. I felt very high spirit and support of angels and good spirits during the seminar, especially during Chanyang session.”**

7. b TESTIMONIES

Mr. Janis Vjaters, Riga Event, June 12th 2021

”Before the Chanyang Yeoksa session I felt deep inspiration from the welcoming address of Rev. Jack Corley. My spiritual body was strongly boosting from my physical body when I was listening to his message. Then, at the Chanyang session, when I hit the area of my lower back, the pain became lighter. At the end of the Chanyang session I shed tears of compassion towards the liberated spirits. I am grateful for such grace and proud to be involved in preparation and as a participant of the very 1st CheonBo event in my country of Latvia. Thanks to Heavenly Parent, True Parents and all CheonBo branches.”

7. c TESTIMONIES

Anonymous, 47, M, Pécs Event, June 12th 2021

”During and after the Chanyang, when praying in the Cheonshim Won prayer room, I had a feeling, that those, who were liberated are so sorry, for what they did in the past. **Some aggressive thoughts came to my mind, that now they understand how cruel and evil they were while living on Earth, and how much indemnity had to be paid until the wrongdoings can be restored.**”

7. d TESTIMONIES

Maria Evi Dumas, 63, F, Paris Event, June 12th 2021

“Today I attended the liberation and Blessing of ancestors as representative. I truly felt humbled and sorry, for I am not enough and prayed that the ancestors of the brothers and sisters that are doing the liberation and ancestors would come and receive the Holy Wine. **At the moment of holding up the Holy Wine, inviting the ancestors, all of a sudden I felt surrounded by many. As they were taking the Holy Wine, they said thank you and expressed how grateful they were.** Such a warm and deep heartfelt atmosphere filled the roof. Thank you Heavenly Parents, True Parents for giving such deep Grace.”

7. e TESTIMONIES

Mihaela Sergeeva, 60+, F, Sofia Event, June 12th 2021

”My heart is full of gratitude about this event. Very holy and uplifting. Specially I feel grateful to Heavenly Parent and True Parents about the possibility to liberate and bless our ancestors in this special period. In one way Covid-crises is a blessing because it gave the opportunity to organise this event in our countries, not to travel to Korea. And also so grateful to have a property, our beautiful Peace Embassy, where we can hold such an event. The biggest and deepest gratitude is to True Parents about the CheonBo Providence. Such a deep, absolute love! I have no words, just tears! Thank you!”

7. f TESTIMONIES

Anonymous, Chisinau Event, June 12th 2021

” One of the problem I am facing for years is gossiping about people. So in the CheonBo workshop on June 12th I was praying and repenting about a situation I had last week with gossiping. **And suddenly during the prayer I had a deep realization and Heavenly Parent revealed to me that when I gossiping about any of His children, His heart is every time deeply hurt despite the fact that the person might not know about gossiping.** It was a very important answer that I was subconsciously searching for while trying hard to overcome this fallen habit.”

7. g TESTIMONIES

Milena Takacs, F, Budapest Event, June 12th 2021

” I have always felt so great gratitude to God and True Parents whenever I was able to attend a CheonBo workshop. We have just participated on one such event with my husband. Since we did not liberate ancestors (we have already liberated and blessed 430 gen.), we were a representative couple for those brothers and sisters who were not able to participate. Having already liberated our ancestors I didn't think that I would have any special experiences this time. But **when the MC announced it was time to pray and to talk to ancestors I suddenly felt a very big and deep pain and sadness. I have felt that it came from God and the liberated ancestors who have been waiting for this moment to be liberated.** It was so important for them. Suddenly I have just started to cry feeling that those tears were not my tears and that I couldn't control them. **I felt that I didn't know what living in hell in the spirit world would really meant and for so long time that it is an unbearable pain. Now it has all come to an end and for those spirits it means a new life. It was so moving to experience this. I have also understood how important my physical body is. Spirits can work and achieve results only through my body. They will help True Parents after they receive the Blessing and they want to help so much.**”

Thank you True Parents!
