We would like to inform you about the upcoming "Creating Bridges Through the Blessing" programme on Saturday 10th July. This event is a joint collaboration of Blessed Family Departments worldwide and is open to Blessed Families and members 16 years old and above.

To become co-creators of a new culture requires stepping out of our comfort zone. Leaving our home country or having a spouse with a different culture and language is not easy but it can open up a new world of experiences and depth of understanding yourself and God's hope for humankind.

In this global event, we invite you to hear about the unique journeys of some of our 1st, 2nd and Jacob generation intercultural couples. Get to know why they chose this path, and discover how you too can participate in this beautiful journey of building world peace with your own hands!

You shouldn't miss this opportunity! Stay tuned for programme details.
