Understanding - that marital satisfaction is based on factors and skills - that couples can do something about - at any season or stage of life.

Seven sessions, designed to help couples invest in their relationship and build a strong marriage.

Beneficial for couples of all ages !

The Marriage Course is a seminar developed by the British pastoral couple Sila & Nicky Lee, but the content of the course is non denominational. Please feel free to share with people who could be interested, whether it's in the movement or outside.

It includes 7 evenings of interactive presentation and homework, addressing virtually all the important topics of marriage and blessing.

One thing is important to understand: There are no public discussions, but all topics are discussed and worked on exclusively by the couple in a private atmosphere at home.

It is seven evenings designed to help couples invest in their relationship and build a strong marriage. This course is recommended by the German, European and American BFD.

We are offering the course in the original English this time at the request of some couples where one partner is not yet so fluent in their German.

In times like this - we offer the Marriage Course - online.

We have seven Friday evenings together, starting at 7:30 PM on July 2nd until September 24th, every two weeks.

You will receive seven Friday evening sessions, personal work books, HDK readings for married couples and more.

Cost: Please give a donation of appreciation to support the Blessed Family Department to their account:
