# True Father's Holy Ascension

September 3, 2012 (7.17 by the heavenly calendar)

“ I have completed everything. Today, as I have returned the conclusion of the final perfection to You, Father, I know that up to this moment, I have offered my whole life to You. I am spending this time now to bring my life to its conclusion, to bring it to a close with utmost devotion, in accordance with Your Will.

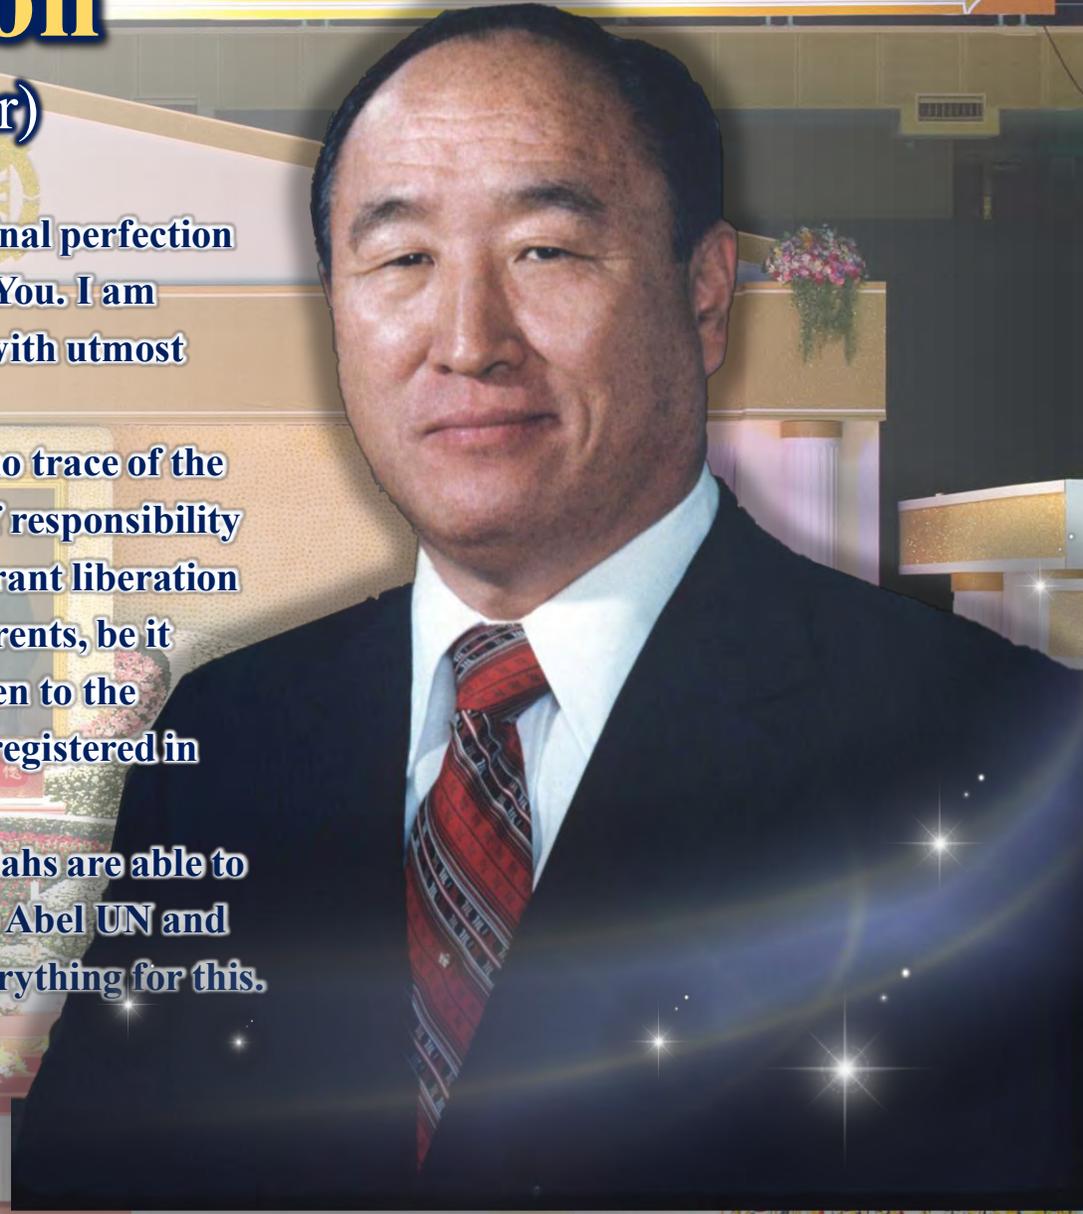

In order that we may return to the original Garden of Eden, the garden with no trace of the Fall, and surmount everything that came to be connected to Adam's portion of responsibility following the error committed by his betrothed, I, who have the authority to grant liberation and complete freedom to everything, declare that anyone who follows True Parents, be it someone in the fourth dimension, or be it someone who would otherwise go even to the fourteenth dimension of hell, will be adopted into the kingdom of heaven and registered in the fourth dimension.

I declare that if, centering on the fourteen sons and daughters, the tribal messiahs are able to fulfill the calling of national representatives and restore the 387 nations [of the Abel UN and Cain UN], everything will be brought to a conclusion. I have accomplished everything for this.

I have completed everything.

Aju!

”

# **3rd Anniversary of True Father's Holy Ascension**

**Aug. 30, 2015**

**“ If that is the case, all of you are gathered here today -- what would you like to tell True Father? I want to say the following:**

**"True Father -- from now on, please do not worry. We will absolutely complete this responsibility.**

**I pray that you comfort Heavenly Parent, who has been lonely until now in the Original Garden, that He may become free as One of Glory and Praise.” ”**

## 3<sup>rd</sup> Heavenly Parent's Holy Community Peace Festival Themed Performance Synopsis Summary

# Hyojeong Jeon (tentative)

No	Contents
1	<b>The story of Shim Hak-kyu, a blind man, and his daughter Hyojeong Though Shim Hak-kyu is blind, he raises his daughter Hyojeong in all sincerity and Hyojeong devotedly looks after her father. Hyojeong gets to study the Divine Principle and finally receives the Blessing with Mongryong who was also studying the Principle</b>
2	<b>In order to receive permission to receive the Blessing, Mongryong goes to Hanyang to take a test for a public position in the government. Meanwhile, a new village leader asks Hyojeong to serve him, but she refuses his demand. Angry at Hyojeong, he wrongly accuses her father, and asks that he either pays 300 bronze coins or get beaten 300 times. Hyojeong throws her body in deep waters to earn that money for her father.</b>
3	<b>Her father is left alone, and someone steals the money his daughter left. Hyojeong gets to meet the dragon king. She repents for throwing herself in the waters. Then, True Mother appears in front of Hyoejong and gives her another opportunity in recognition of her sincere devotion and filial piety.</b>
4	<b>Mongryong is appointed a secret royal inspector. He saves Hyojeong's father who was living like a beggar, and punishes the village leader.</b>
5	<b>A mysterious and huge locus flower blooms from the waters, and a fisherman takes it to Mongryong. Hyojeong comes out from the lotus flower, and receives new life. She is reunited with Mongryong and her father. Her father is able to see, and all together, they offer bows of gratitude to Heavenly Parent, True Parents, and blessed families. They dance and sing in joy.</b>
