IL SHIM Program
online

A 8 week program starting in February and ending with a graduation at the end of March - each participant will receive a specially designed purity ring at the end of the program

WHAT IS IT?

The teachings of True Parents on the value of the Blessing and purity in preparation for our future marriages inspired the start of the Il Shim program. Today Il Shim has become a rite of passage and coming-of-age program for young Unificationists and their friends.

The Il Shim program provides an 8-session series aimed at empowering youth to discover their relationship with Heavenly Parent and True Parents rooted in their relationship with their Parents. We hope that all young people who participate in Il Shim will be inspired to work towards the goal of becoming and building a new and powerful generation of peace.
