Presentation by Mr. Tibor Krebsz, Branch Lecturer

"Miracles will occur if you become one with True Parents. You are able to resolve problems on your own if you pray and offer devotion."

True Mother, September 24, 2015

"While living on earth, your every action and movement is recorded on your spirit self without exception, with the public laws of Heaven as the standard. Accordingly, you will enter the spirit world in the form of your spirit self, which has recorded your life on earth with 100 percent accuracy. ...this means is that it is not God who will judge you; you will be your own judge. ...Please bear this truth in mind: Whether you are bound for heaven or for hell is determined by your thoughts, words and deeds in each moment."

7. a TESTIMONIES

Anonymous, Male, Russia, Moscow CheonBo VOD event, 2022. June 4.

"I want to deeply thank to True Parents and Heavenly Parent for the grace I have received. **After the workshop I feel being reborn as new, as if I really was born again. I also strongly felt that there are no nationalities, no barriers, no countries. I felt that all people are one big family"**

7. b TESTIMONIES

Rev. Alexei Saveliev, Male, Russia, Moscow CheonBo VOD event, 2022. June 4.

"This workshop was very important not only for me personally or my family, but for our country. Probably it was the first time **I felt how much Cheonbo workshop is important especially for Russia, for purification of our country, for the revival of Russia.** During Chanyag Yeoksa session I invested all my powers, gave maximum and after 30 minutes I felt totally empty. But I was doing it together with other Blessed Central Families, my brothers and sisters for Heaven to see us, so that at least through the CheonBo Workshop we can show the direction that Russia should start moving - Heavenly Parent and unity with True Mother. **I believe this workshop became an important condition for realization of Heavenly Parent's will for Russia. And our ancestors would be able to help us even more during summer programs, Blessing Festival's activity and summer witnessing campaign."**

7. c TESTIMONIES

Anonymous, Female, Russia, Yekaterinburg CheonBo VOD event, 2022. June 4.

At the Ancestor Blessing Ceremony, couples stood behind of me, I was surprised, "who are they?" I've already blessed all my 430 generations. And they told me that they were used to be in my body. And since their descendants are not blessed, they can receive the Blessing with me because they were connected to my body."

7. d TESTIMONIES

Gabriella Filipi, Female, Hungary, Pécs CheonBo VOD event, 2022. June 4.

”Dear Heavenly Parent and True Parents, I am really grateful that I could participate in this CheonBo VOD event this time. It is always difficult to go for such an important event specially with three children. Before coming to the event some obstacles arise and try to push us back. But **this time when we decided to bless our ancestors until 430 and complete in this way our tribe I could not feel that heavy difficulties as usually. Just I felt they'd love to see us in this event to celebrate together. During the Chanyang session I felt very powerful angels and spirits helping us to cleanse our bodies.** It was uplifting when I felt unity between brothers and sisters and even, I did not need to push my children to do the clapping. They followed nicely the Chanyang session. During the Ancestor blessing time I felt when my and husband's ancestors arrived and because I am not so opened spiritually, I was happy when one sister affirmed that she could feel a big crowd around me. **I feel blessed that we could come until this point and we could fulfil our responsibilities towards our ancestors and because of our True Parents they can have a better path in the eternal home. Thank you.”**

7. e TESTIMONIES

Nina Kosareva, Female, Russia, Moscow CheonBo VOD event, 2022. June 4.

"I participated in the Cheonbo workshop on the 4th of June 2022. I am grateful to Heavenly Parent and beloved True Parents for this opportunity. **The most inspiring for me is ancestor' Blessing ceremony. I feel their boundless gratitude and deep heavenly joy as they receive such a priceless gift. I feel their tears.** It's difficult to say if these are the tears of joy or repentance. But now I know that **they found comfort, peace and great hope. They were given the opportunity to live in the world of eternity with True Parents. And I realized again that I can be grateful to God for everything! For joys and success, but now I feel my special value and trust from God when He allows me to go through difficulties and pain, believing in me.** That means a lot, even though such heartache sometimes stops my heart beating. But I will be thankful to God and keep believing that one day I will see all my children receiving the Holy Blessing, that I will see my blessed grandchildren and see the face of not the lonely God but surrounded by love! **Every CheonBo event brings me closer to my and Heavenly Parent's dream! Aju!"**

7. f TESTIMONIES

Nittaya Mould, Female, 52, UK, Chislehurst CheonBo VOD event, 2022. June 4.

”During the Prayer room connection on the evening of 3rd June, I felt the heart of love from True Parents, very gentle and at the same time full of concern. Concern for many members who couldn’t yet join in with the CheonBo events. I felt that our ancestors are crying and calling out to us for liberation from their various circumstances. I felt a strong inspiration to encourage many, especially the young members, to come and receive the benefit of the overwhelming grace of the CheonBo events. I felt that the music at the end of the ancestor liberation on 4th June was very moving and stirring. Thank you!”

7. g TESTIMONIES

Anonymous, UK, Chislehurst CheonBo VOD event, 2022. June 4.

"When we attended the CheonBo event last time, I made a HJ Offering Paper asking that my son's flat could be rented out with Airbnb. I wanted to make a wish that was relevant to him, because he was attending the event with us and he had not attended a church event for a long time. The next week, people started to book it and now, just one month later, it has been booked up until the end of October. He is very impressed with how quickly the wish has been granted and I realized that it is easier for the spirit world to grant very specific wishes than more vague requests which I had been making up until now. We are very grateful to have had this opportunity to show our son how God can work in a very meaningful way in his life."

7. h TESTIMONIES

Anonymous, Hungary, Pécs CheonBo VOD event, 2022. June 4.

”Dear Heavenly Parent and True Parents, during the preparation for Cheon Bo event, in the prayer room I was praying for True Mother, True Father and for the brothers and sisters. That time I felt like receiving massage, healing in my body. During Chanyang Yeoksa session I had the same experience when I started to pray for True Mother, True Father, and for brothers and sisters. I felt something leaving my body. I am very grateful dear Heavenly Parent and True Parents that you always give your precious teaching. With a grateful heart.”

7. i TESTIMONIES

Anonymous, Female, 34, UK, Chislehurst CheonBo VOD event, 2022. June 4.

”During the Chanyang Yeoksa session, I was able to feel as though the evil spirits, I felt they are truly my brothers and sisters, and that it was their opportunity to start their own path towards becoming absolute good spirits. **Directly after the Chanyang Yeoksa session, I took a sip of water from my water bottle and could taste as if it was the Water of Life from the HJ CheonBo Training Centre.** Thank you to our True Parents and Heavenly Parent for everything!”

7. j TESTIMONIES

Alexander Sokolov, Male, Russia, Moscow CheonBo VOD event, 2022. June 4.

Thank you for the CheonBo workshop. During Chanyang session I sang holy song. **The thought came to my mind that I need to clap and invest hard in order to get rid of evil and embody goodness. I immersed in this state, and my spirit uplifted. I connected to the point that my investment helps angels to liberate evil spirits from my body and send them to the Training Center in Spirit World in order to direct them toward goodness.** I am grateful for the grace of Chanyang Session. In the end of the Chanyang session my prayer was very clear.

Thank you True Parents!
