Memorial Service At Holy Oak Memorial Woodland Sunday 7th August at 11am Holy Oak Memorial Woodland, Stanton Fitzwarren

You are warmly invited to the Holy Oak Memorial Woodland for our annual memorial service celebrating the lives of our dear ascended brothers and sisters. We want to acknowledge them and honour them for their dedication to Heaven, and for all their love towards our community and all of us personally.

The service will start promptly at 11am at the Won Jeon. Please be sure to arrive at least half an hour before the start of the service. Our elder brother Philip W. will give the message and there will be time for open sharing during the service. Each family will receive a flower to lay on their loved one's Wonjeon.

We will have a potluck lunch. Please bring your own lunch and something to share with everyone. Tea and coffee, as well as water, will be available on the site.

It will be lovely to see you and spend time together as one family, catching up with each other.

All the best and see you on the day,

The [Seonghwa Caring Ministry](#) team
