On the 20th of October, IAYSP had the honor to be the co-organizer of a side event at the United Nations Headquarters in Vienna under the topic of "Preventing Crime through Encouraging a Healthy and Sustainable Lifestyle for Young People - Best Practices".

The event was part of the 11th session of the Conference of the Parties to the UN Convention against Transnational Organised Crime (COP UNTOC) hosted by the United Nations Office on Drugs and Crime (UNODC) UN

Vice-President of IAYSP Europe and Middle East, Jeong-hye Hassinen delivered a passionate speech promoting our core values of Responsibility, Integrity, Service and Empathy in creating a healthy lifestyle and sustainable societies. Jeong-hye showed how the RISE values are applied in the Peace Designer Training and how both the participants and society in general benefit from the resulting projects.

A big shout of "thanks!" to the UNODC for this opportunity as well as to the Women's Federation for World Peace, the Association of Austrian Women Farmers, and Green Care Austria for the excellent collaboration!
