

FFWPU Europe and the Middle East 777 Blessing Couples Anniversary Gathering

Michael Balcomb
October 21, 2022

We had a Zoom meeting of 777 Blessing Couples to celebrate the 52nd anniversary.

We were only four couples represented this time, but it was a good start and everyone was happy to have this opportunity to share a little of our testimonies, as we did not all know each other.

There are not so many 777 couples in Europe and Middle East, and some of us inherited this blessing and were not present at the ceremony in 1970.

We hope to be a few more next year, meeting either on Zoom again or possibly in person if the situation permits.
