December 14, 2022

The young adult retreat, Companions Of Faith, returns in February next year with the theme - HOME: Unlock and Tuck in.

Companions of Faith is BACK! 🔥 Completing your February 2023 schedule with a trip for spiritual recharge and redetermination of faith. They asked and we answered. A longer workshop for young adults you say? Coming right up, served with engaging education, inspiring music, heart-warming meals, ever-deeper connections as brothers and sisters and a substantial presence from elders. This is not an opportunity to pass up. With the workshop theme: HOME: Unlock and Tuck In. 🏠 May we create an experience together where we all feel a sense of belonging to a spiritual home.

The early bird fee is only £95 if you register by the end of the year. I repeat, under £100! Come join us in Suffolk for a special, important weekend away. For yourself and for our community.
