We are happy to invite you to an international in-person workshop on the topic of internal and practical guidance for the matching and Blessing. It will take place from 16th - 19th February 2023 in Luzna (Slovakia). The programme is designed for Blessed children and Jacob children aged 18 and older.

The Blessing is not just a ceremony to get through; it is a lifestyle which we need to grow into. Preparation matters: so how can we create more space for God to guide us through the matching, into blessed life? How can we make effort to make good things happen in this precious area of our lives? Essentially, we want to offer a focused programme that can help you to better understand where you are now and how you can move forwards. Alongside this, we want to offer the opportunity to receive personal input in a supportive environment.

We want to create the opportunity for everyone to go deeper into their understanding of what the Blessing can be.

The education will cover topics such as:

- Growing your confidence and pursuing spirituality in your life circumstances
- Gaining clarity and dealing with challenges of our culture
- Understanding our foundation through the course of 1st Generation Blessing
- Including God, and True Parents vision, in our decisions
- Different stages of the process: from taking steps towards succeeding in the matching, to growing as a matched couple before the Blessing

The sessions will include aspects of internal and practical guidance and testimonies and life experiences.

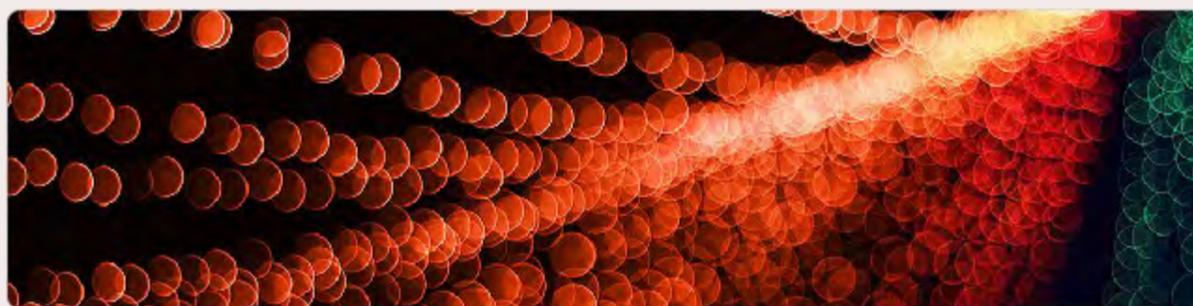

There is a limit of participants we can take, therefore apply early. We hope that you can use the opportunity of current good deals with Ryanair flying directly to Bratislava or to nearby Vienna (from London, Dublin, Cologne, Dortmund, Bergamo, Madrid and more places)!

We believe the workshop has the potential to provide valuable support for all those who are seriously thinking about progressing on their matching and Blessing journey, whether preparing, in the process, or already matched.
